

## Insurance and Financial Policy

At **Modern Touch Dental**, we believe that you deserve the best care. That's why we always present you with the best dental solution possible to treat your personal situation. Each year we provide outstanding dental care to hundreds of patients. Some have dental benefits but some don't. If you have dental benefits, congratulations! You are very fortunate. Here are some important things you should know.....

Your dental benefits are based upon a contract made between your employer and an insurance company. **If you have any questions regarding your dental benefits please contact your employer or insurance company directly. Dental benefit plans will never pay for your total dental treatment. It is only meant to assist you.**

We currently accept Delta Premiere and all private care insurance plans (plans that do not require you to select a dentist from a list or require our office to accept a reduced fee for service). This means that we work with literally thousands of companies. Although we can maintain computerized histories of payment by a given company, they *do* change; therefore it is impossible to give you a guaranteed quote at the time of service. We estimate your portion based on the most up-to-date information we have, but it is **ONLY AN ESTIMATE**. If you would like to know your exact insurance benefit, we will be happy to file a "pre-treatment authorization" with your insurance company prior to treatment. This does delay treatment but will give you the exact out of pocket figures you may require.

Many people receive notification from their insurance company that dental fees are "above usual and customary." An insurance company determines their reimbursement level by surveying a geographical area, calculating the average fee, and then determines that 80% of the average fee is customary. Included in this survey are discounted dental clinics and managed care facilities, which have severely reduced dental fees that bring down the average. **Any doctor in private practice will have fees that insurance companies define as "higher than usual and customary."**

We bill your insurance as a courtesy. If insurance does not pay within 60 days, **Modern Touch Dental reserves the right to request payment in full for services from you and let you collect the insurance funds that are due to you.** This is rare but it is important that you recognize that the insurance you have is a legal contract between YOU and your insurance company. Our office is not, and cannot be a part of that legal contract. Ultimately, you are responsible for all charges incurred in our office.

**Modern Touch Dental** does ask for payment in full for your portion at the time of service. We accept MasterCard, Visa, Discover, cash, and checks (for existing patients with established payment history). If you are in need of an extended finance option, we also work with Care Credit, who offers a 90 day and a six month "same as cash" or longer terms with an interest bearing revolving charge designed to meet your treatment plan needs on approved credit. Just ask one of the patient services staff for an application.

**Broken Appointments:** A specific amount of time is reserved especially for you and we strongly encourage all patients to keep their appointments. If you must change your appointment, we require at **least 72 hour** notice or if you fail to show for an appointment a **\$75 per ½ hour cancellation fee may be charged.** (emergencies are an exception).

**After Hours/Weekend Emergencies:** In the event of an emergency after regular business hours a **\$125 emergency fee** may be charged in addition to the necessary treatment fees.

We welcome you to our family and look forward to helping you get the healthy, beautiful smile you've always wanted. If there is anything we can do to make your visits here more pleasant, please do not hesitate to ask one of our staff members.
